# PARTNERSHIP

They bring their child to us  
And hope we'll come to know  
How much their offspring means to them,  
Their trust in us bestowed.  
They bring their child to us  
With love and hope and pride,  
Looking for a helping hand,  
A teacher who will guide.  
They bring their child to us,  
And our partnership is clear:  
To nurture and allow to bloom  
A life we both hold dear.  
They bring their child to us,  
A step toward letting go  
And trusting in our special plan  
To help the child grow.
